Chart of positional interest - Gold $\$GC_F$

I view this chart as a completed running wedge. Close below today's low would negate this view.

FactorMembers @factor_members · Sep 20

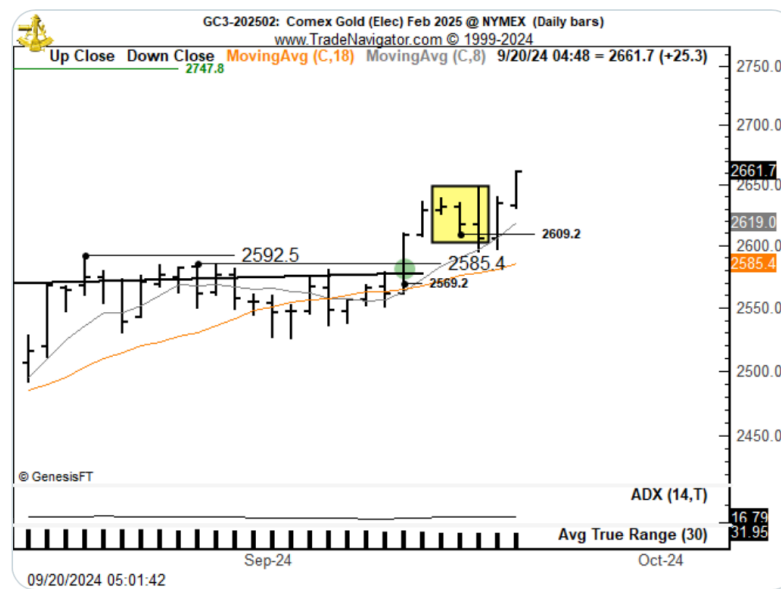

...

This gets into fine points of my rules. Decline on 18 triggered 3DTSR in structure but not in strict interpretation of rules b/c retracement did not get back to my entry (so no loss). Then 19 was immediate return to trend.

I do NOT make bets based on markets or opinions.

I make

Chart of interest - Gold

Possible that Gold is undergoing parabolic advance, as noted in red. I was stopped out of partial on small 3DTSR, but Thurs was secondary buy. Added accordingly overnight. $\$GC_F$
